Change in Control – Intersection of 24<sup>th</sup> Ave NE & Tecumseh Road

Recent traffic studies conducted by the City of Norman indicate that a change in traffic control is warranted at the intersection of 24<sup>th</sup> Avenue NE & Tecumseh Road. Accordingly, the Traffic Control Division will install an ALL-WAY STOP control system at this intersection on Thursday, January 21, 2010. New STOP signs will be installed to control the North – South bound 24<sup>th</sup> Avenue NE traffic. Temporary STOP AHEAD signs will also be installed to attract motorist's attention to this change in control.
